Dear Parents,

We have just been advised by our local Medical Officer of Health that Dr. David Williams, Chief Medical Officer of Health has directed that all child care centres be closed, effective immediately. Therefore we will be closing Bronte St School as of today. It is our intention to re-open on April 6th if that is still the current Public Health directive at that time.

We know this is difficult for many of you but we must follow the direction of our local health authority. We hope that you will be able to stay at home as recommended and that we will see you and your children in the near future. Please remember to check for any updates on our website at [mrcr.on.ca/covid19](http://mrcr.on.ca/covid19)

Wishing you and your family good health.

Sincerely,

Rebecca Barrows-Vrankulj, B.A., M.Ed.
