

COVID-19 Update

March 13, 2020

Good Evening EarlyON and Family Fun program families,

As you are aware, the Halton District School Board announced that they will be closing all school buildings to both child care and EarlyON programs from Monday, March 16 to Friday, April 3, 2020. [Click here to read the full communication.](#)

As a result, MCRC has made the decision that all EarlyON and Family Fun programs will not be operating from Saturday, March 14 to Saturday, April 4, 2020.

If you are registered for a paid Family Fun program, you will be contacted next week regarding refunding payment.

You can find up to date information about how MCRC is responding to COVID-19 at mcrc.on.ca/covid19

Sincerely,
